 in school.

Love,  
 Bruce

Cheri,  
 Is a real great  
 girl and a good  
 study hall pal.  
 Lots of luck in  
 the future. (with  
 Peggy Black)

Cheri,  
 I hope you  
 remember the only way to be  
 a friend is to be one. I'm not  
 sure I'm the only one including me.  
 Love,  
 Mike Pitts

To Cheri,  
 the cutest, kindest, truest, please  
 stay cute and sweet, forever and  
 you'll have many friends, including  
 me.

Oh, just like you go 'joking' in Arab, take  
 me with you,  
 Jimmy

"Here,  
 you're a real doll and  
 a true friend, I'll never

 Barbara

## SCHOOL SPIRIT

S . . .

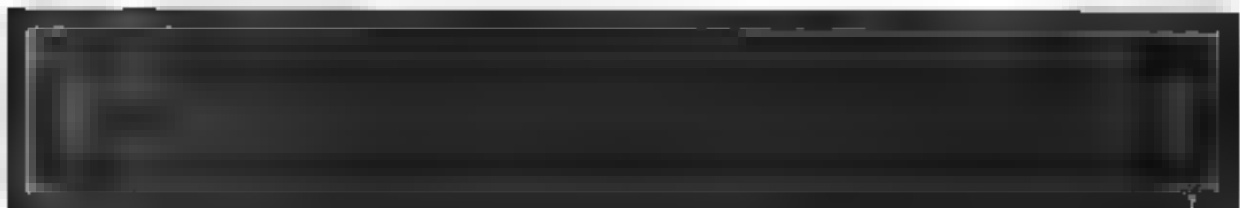

## APPRECIATION . . .

It is with deep gratitude that we dedicate the 1965-66 edition of our yearbook to Dr. Raymond Christian, Superintendent of Schools. Although we have seldom had any direct contact with him, Dr. Christian has played a major role in our years at Lee. It was largely through his untiring efforts that our school came into existence. Since Lee's beginning in 1958 he has worked unceasingly to provide each student with the best educational opportunities possible. In our academic and extracurricular activities we have always been assured of his interest and support. This year Dr. Christian leaves to assume a new position in the field of education. Although he will no longer be connected with our school system, he will always maintain an important place in the memories we have of our high school years. He has been the director without whose efforts this play could never have been produced.

# THE TRAVELLER STAFF

The school has had a newspaper since '96. For the first three years the paper appeared in mimeographed form but in '96 the Traveller began publication by regular printing press.

We year also the paper won the title of "best school" from the Alabama High School Press Association the next year. It earned a strong reputation for the AP/APA units and the editorials of Candy Falk.

We confidently expect even greater accomplishments in the future.

Dear Students:

Through the grace of all of you the Student Council has been able to adhere to the high standards of the Student Body. This year has seen many of our students accomplishing important things. We have deepened our understanding of student government in the year to come. With this increase a need for efficient student government will multiply.

Good student government is built on student participation. The Student Council appreciates the backing and support that the student body has given the organization. We would be terribly like to add my thanks to the school administration and above all you the students.

The varsity Debate squad is a member of the Alabama High School Forensic League. The squad represents our High School at tournaments in North Alabama. A debate is a formal oral controversy and debate is thus, as willing to spend many hours as a rehearsal for their cases. Debating helps a person to learn to collect, to organize ideas, to evaluate evidence, to think and speak convincingly.

The national high school debate problem area for 1964-65 is "What effect on urban-management relations will our serve the people of the United States?"

The Varsity Debate Squad will attend the District Debate Tournament sponsored by the University of Alabama in early spring and hopes to attend the State Tournament also in the spring.

# LEWIS & CLARK JUNIOR ASTRONOMICAL SOCIETY

MEMBERS: Jim Anderson, Brenda Brown, Kris Dardar, Walter Hays, Ann Hawkins, Hunkin, Anna Hinkle, Donna Hodge, Thana, Sybil Kothner, Karyn Quire, Elissa Re, Kymberly Smith, P. A. Feltz, Jr.

We are now devoting our time to the building of an observatory which will be our project for this year.

November 20, 1963 was a memorable occasion for Henry Archer Club girls and an amused crowd of spectators. Just in their football uniforms, except for their socks, the girls from the Henry Archer Club played a tough football game which resulted in the girls being the victor with a score of 9-6.

The girls' football team spent eight weeks practicing hard football techniques and then prepared for the game shown by their excellent playing.

At halftime, called 120 Halftime festivities included the presentation of trophies to coaches Jim Rainey, Danny Webster, Ph. Wister and Rodney White. Also, the game was dedicated to the memory of the late and the court and Queen were announced. Soho more of the year, Mrs. McFarland, Junior Maid was Carl McCravy, the two Senior Maids were Lynn Brader and Roger Roder, the Queen was Ker Maatz.

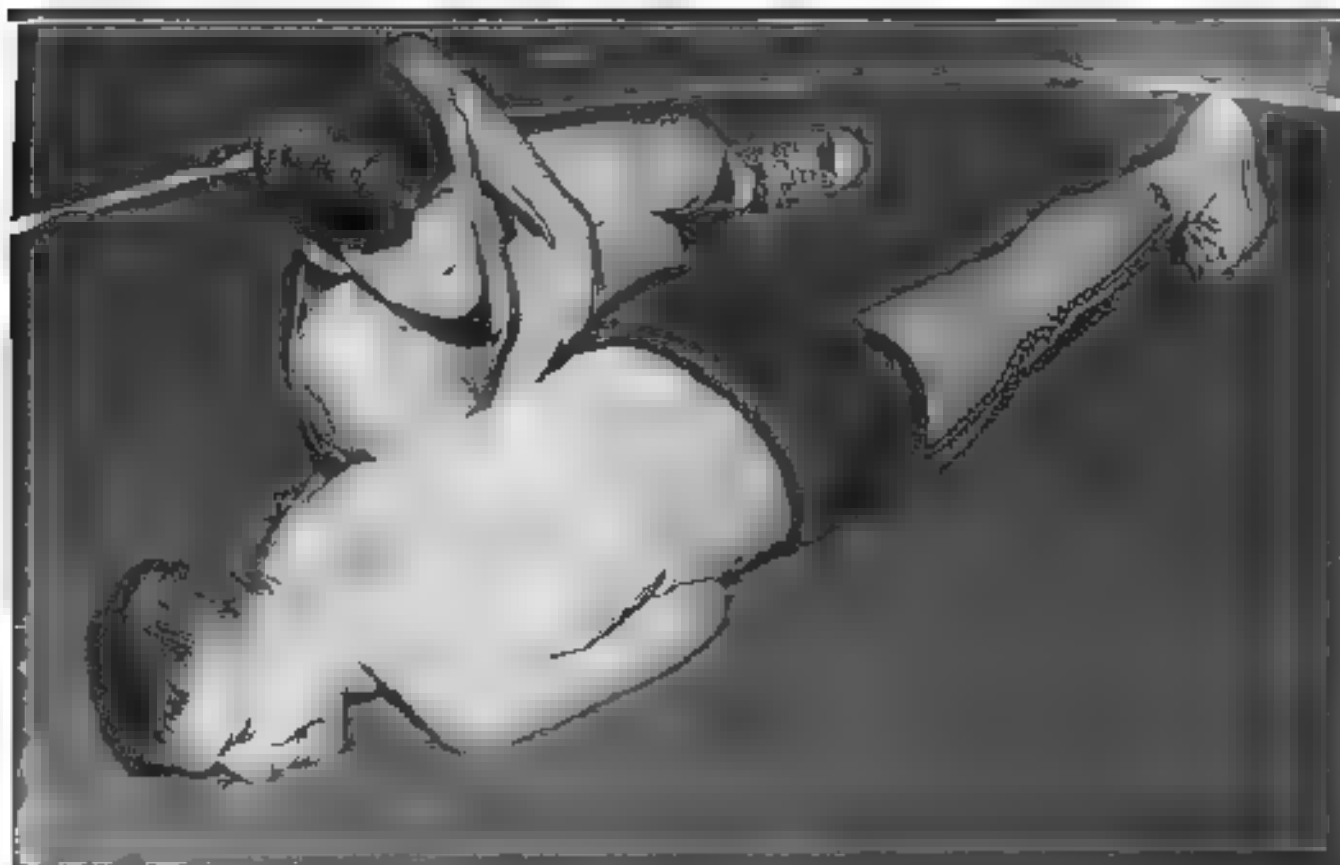

Throughout the game the crowd's spirit was high as the on High Cheerleaders commented at Key Clifton, Hub Harrington, Randy Goodpastor, Bob Camp, Gary Jordan, Jim Jones, Danny Johnson and Jim Hutto.

The Lee and Butler Archer Clubs donated the proceeds from the game to the Cripple Children's Clinic of Huntsville.
